

## Accessibility Statement for Hernhill Parish Council

This website is run by Hernhill Parish Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader

We aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG 2.0, Level AA), published by the World Wide Web Consortium (W3C).

### How accessible is this website?

Whilst Hernhill Parish Council strive to adhere to the guidelines and standards for accessibility, it is not always possible to do so in all areas of the website and we are currently working to achieve this. Be aware that due to the dynamic nature of the website, minor issues may occasionally occur as it is updated regularly. We are continually seeking out solutions that will bring all areas of the site up to the same level of overall web accessibility. Hence, we know some parts of this website aren't fully accessible. For example:

- some PDF documents aren't fully accessible to screen reader software
- you can't correctly navigate all content when using a screen reader
- Some images on the website pages may not have a text alternative
- Many of our older PDFs and Word documents don't meet accessibility standards - for example, they may not be structured so they're accessible to a screen reader. See WCAG 2.1 success criterion 4.1.2 (name, role value).
